SOURCE EVALUATIONS ARE DEFINITIVE

No aircraft, airborne or parked, were observed at Welzow airfield on 28 June. Many construction workers were employed at the field.

Comment: About 16 IL-28's had been stationed at Welzow. The field has probably been temporarily vacated due to the undertaking of large-scale construction work. The aircraft of the regiment have possibly been transferred to Briesen where, on 17 June, the previous aircraft strength was increased by 12. Preparations for the accommodation of an additional unit at Briesen had also been observed.
